**BONUS:** \$100 ship board credit per cabin (*Scott is checking on a cocktail party with a portion of this credit*)

**NO CHARGE:** 2 bottles of wine per cabin can be brought on board. Also, I have learned about Rum Runner Bags (<http://www.cruiserunners.com/>) that are all plastic so undetectable by metal detectors.

**NO CHARGE:** You can drink the water in your cabin. You can also get ice water, iced tea, and either lemonade or fruit punch at the Windjammer buffet. Bring a wide-mouthed Nalgene bottle with you, and pour the glasses of ice water into it (RC doesn't want you filling your bottles directly from the water spigot in the buffet). (A case of water can be purchased on board also.)

**NO CHARGE:** For the restaurants listed below in the "Dining Options By Ship" grid, if the venue does not have a dollar sign (\$) next to it, then it is included in your payment above. Our group will always have tables near each other in the main dining area.
